Dear FPA Member or Prospective Member:

To participate effectively in the democratic process, citizens in a democracy must be well-informed about their government’s relationship with foreign countries. Belonging to The Foreign Policy Association of Harrisburg, inc. (FPA) is one easy and enjoyable way to become that well-informed citizen.

Based on input from our members, FPA’s Program Committee has put together an excellent assortment of topics and speakers for the FPA Program Year. We invite you to renew your membership. If you are not already a member, we encourage you to join the FPA so you can enjoy the company of like-minded people in a relaxing and enjoyable atmosphere, and gain first-hand knowledge of America’s foreign policy.

Two of our special events include the much-anticipated trip to Washington and the annual reception for the International Fellows at the U.S. Army War College. Every May, we plan an enjoyable trip which includes informative sessions at the Department of State and the Embassy of the country for that year. The International Fellows reception is by invitation only and limited to current members and their guests. As such, we request that your membership renewal or your application for membership be submitted by mid September, so you can be included in the invitation list. Please note that this is before our first meeting. Membership paid after this date will not receive an invitation to the reception. To renew your membership, or to become a new member, just fill out the form below, clip it off and mail it along with your check to The Foreign Policy Association of Harrisburg, inc. It’s that easy!

**We look forward to seeing you at the presentations.**
